URUGUAYAN WINE DINNER

WEDNESDAY 30TH APRIL, 7PM. £45PP

Situated just 30km from the Atlantic Coast, Deicas are a family winery now in their third generation with the revered Santiago Deicas as their winemaker. Driving innovation, most notably their work with Albarino, they craft fresh and engaging wines which command you to look at this region very seriously. Those who thought Uruguay was just home to big, tannic Tannat, think again! We are so lucky to be joined by Santiago for a wonderful evening of food and wine, this is not to be missed.
